
Mid-Module
Assignment 1:
Presentation

Dear student,

Thank you for your submission.

75 % (Distinction) Very good job!

Knowledge and understanding of the topic/ issues under consideration was shown very well(20)

Presentation and communication skills were excellent, no stress needed uploading it in so many different formats (30)

Criticality could have been worked a lot more, but this would mean also some more dialogue with the theory (8)

Structure and Presentation is just fine (10)

Use of relevant sources could have been more orientated to academic works. And a note: Social media posts should have the "names" deleted. (7)

Please Note: All grades are subject to change until they have been agreed by the External Examiner, and ratified by the Examination Board.

Kind regards

Your tutor
